

TOWN OF GROVER APPLICATION FOR BUILDING PERMIT

\$20.00 Permit Fee

To the clerk of the Town of Grover: The undersigned hereby make application for a building permit to construct the work described below. I agree to have all work done in accordance with State, County and Town ordinance and laws. As of January 1, 2006 for new dwellings house, cabin etc. a UDC inspections/permit is required before construction begins per State Statutes and I am responsible obtaining all permits. A driveway and highway access permit application must be submitted and a permit issued if a driveway needs to be constructed. An approved driveway shall be in place before a building permit will be issued.
