

FILM PLASTIC

Film plastics can now be recycled.

Place items, listed below, in Super Sack Tote at this site.

RECYCLING

- ♻️ **Plastic salt bags**
- ♻️ **Plastic bird seed bags**
- ♻️ **Plastic fertilizer bags**
- ♻️ **Ground cover garden plastic**
- ♻️ **Clear or black plastic sheet plastic**
- ♻️ **Plastic mesh animal feed sacks**
- ♻️ **Plastic grocery or retail sale bags**
- ♻️ **Shrink wrap plastics**

- ***Plastic must be clean, empty, and debris free.***
- ***Container plastic, such as bottles, should be placed in appropriate dumpster.***
- ***Totes are for film plastics only – no containers, paper, or trash.***

FARMERS» There is a separate program for recycling agricultural plastics. Please contact the UW-Extension Office at 715-748-3327 for more information on the ag plastics recycling program.
