TIRE COLLECTION TIME AND
LOCATION CORRESPOND WITH
CURRENT RECYCLING OPERATIONS

Dates and Locations:

AUGUST:

- 3rd : Maplehurst
Taft
Jump River/McKinley
Cleveland
Pershing
- 5th : Ford
- 10th: Grover
Roosevelt/Lublin
Little Black
Deer Creek
Stetsonville
Holway
- 17th: Browning
Goodrich
Chelsea
Hammel
Westboro

YOU MUST BE A
RESIDENT OF THE
MUNICIPALITY
WHERE YOU
TAKE YOUR TIRES

2013

Taylor County Recycling Authority OLD TIRE Collection

Refer to information inside of brochure
for this year's program.

**THERE WILL BE A CHARGE FOR
ALL TIRES COLLECTED. PRICE IS
BASED ON SIZE OF TIRE.**

NEW:
Another size category added.

WHY A TIRE COLLECTION?

The tire program started in 1995 to provide a needed service to the residents. This program gave residents an opportunity to properly dispose of old tires and clean-up their properties of old stock piles. It also keeps tires out of road ditches and other "dumping grounds", and rid our communities of old tires which are a health and fire risk. We assume the number of tires being stored has been reduced.

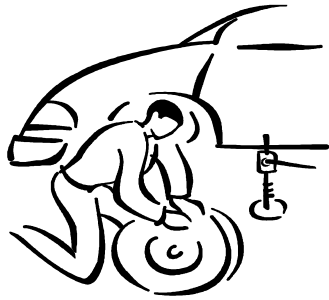

The Taylor County Recycling Authority, voted to not allow any free tires. This is mostly due to the fact that **old tires should be disposed** of when new tires are put on vehicles, tractors, etc., at

the dealer. **New this year is another category for oversized tires such as skidder, grader, endloader, etc. Some of these larger tires are solid rubber, and quite wide; therefore only requiring a few tires to make a ton.**

Refer to chart for fee assessed for each tire that is brought into the Municipal Recycling Collection Center.

Tire Size	Cost
UP to 20"	CAR \$2
20" to 24"	TRUCK \$10
OVER 24"	TRACTOR \$15
OVERSIZED TIRES	\$50

NO FREE TIRES

Once again, **NO RIMS WILL BE ACCEPTED**; thereby keeping the tonnages and costs down.

Contact your Recycling Site Attendant for times of collection.
